Business Strategy Consultants (BSC) is a professional services firm that specializes in acquisition, finance, and information technology strategies, solutions and consulting. The firm was founded in October 2001 by a former federal Government acquisition professional. BSC is certified by the U.S. Small Business Administration (SBA) as a Small Disadvantaged Business. We have a proven track record of providing quality and affordable cradle-to-grave acquisition support; accounting, budgeting and forecasting support and systems development support for the federal Government, state and local governments and the private sector.

Our approach to “*Ensuring Success For Our Clients and Ourselves*” is to clarify the customer’s requirements to make sure we both understand the expectations and needs; deploy the correct resources, staffing, facilities, software/hardware tools; hold frequent reviews and provide continuous feedback to ensure that milestones are being met and identify obstacles preventing progress in order to recommend solutions to correct issues that may affect progress. Our strength is our focus on our customer’s needs and requirements. We treat each customer as a valuable asset and we will guarantee that our commitments are fully met. We have a successful past performance record with a long history of contract renewals and contract extensions to validate their continued trust in our capability and performance. An additional strength is the recruitment and retention of our quality staff. We treat our staff with dignity and we provide our employees competitive benefits and compensation, plus the opportunity for career growth. We can quickly assemble highly qualified and skilled project teams.
